

Executive for Personnel & Administration

26 November 1946

Chief, Legislative Liaison Branch

Projects of Legislative Liaison Branch for Week Ending
26 November 1946.

1. The following projects are currently being developed by the
Legislative Liaison Branch:

- a. Prepared memorandum and briefed the Director of Central
Intelligence on shortcomings in the Espionage Act.
- b. A current draft of a proposed Enabling Act for C.I.G. was
submitted to the Director, and after a conference with him
certain changes were suggested which have been included in
a further draft for submission to the Director.

WALTER L. PFORZHEIMER
Chief, Legislative Liaison Branch
